

To all who work at the Wine Rack Store -

The Combined Fund Drive Committee at the Dept. of Financial Institutions wants to say THANK YOU for your incredible donation to our online 'ebay' auction. For two years you have given us fabulous items to auction to support the Thurston Co. Food Bank! Our employees have really been excited by your products -

We can't say thank you enough for your generosity and your willingness to help others in their need. This year our auction did extremely well in spite of today's economics - we were able to send the TCFB a substantial donation!

Thanks again -

DFI CFD Committee,
Carolyn Hawkey, Chair
